Sir,

The Municipal Council acquired land at a cost of about Rs.17,000 under the "Block No.10 Market Ward Town-Planning Scheme" when the land was handed over to the Council, before the demolition of existing buildings it was considered necessary, to take a few photos of the land and buildings as these could be exhibited in the Court in case there are references to Court for payment of additional compensation. In fact such photos were quite useful in the past as a few such photos were filed in the Court as exhibits in connection with the reference to Court for additional compensation in the acquisition

of land under the Guliga Hithlu Town Planning Scheme. Eleven photos of cabinet size enlargements of Block No.10, Market Ward were taken at a cost of Rs.11/- The District Inspector of Local Fund Accounts who audited the accounts has however raised an objection in the Audit Report that this is an extra-ordinary expenditure requiring the sanction of Government. As these photos were taken more as exhibits to be filed in Court, the expenditure was treated as one coming under the Town Planning contingencies and paid for as was done previously as an ordinary item of expenditure. I request Government may be pleased to accord sanction for the payment of Rs.11/- as required under Rule 53 of Schedule IV of the Madras District Municipalities Act if it is considered that this is an extra-ordinary expenditure.

An extract from item 15 of the Audit report for 1939-40 objecting to the payment and extract of Resolution No.30 (2) of the Council, dated the 30th March 1940 sanctioning the payment of the bill for Rs.11/- is herewith enclosed.
